Justin's journey in fine wine production began while working at fine dining restaurants in Australia, Canada and Europe and being exposed to some 'cerebral and ethereal wines' This led to him graduating from Adelaide University in Oenology in 2004. He then moved overseas working at Peregrine Wines in Central Otago, New Zealand, Azienda Brezza Giacomo e Figli in Barolo, Italy and Domaine de Montille Burgundy, France.

Best's Great Western was founded in 1866 and is one of Australia's oldest continuously family owned and operated wineries. Owned and operated by the Thomson family since 1920, it is located in the Great Western region of Victoria and shadowed by the Grampians, Best's is known to have some of the oldest vines in Australia and produces extraordinary wines with great longevity.

The Best's winemaking philosophy is that great wines are made in the vineyard. Justin and the Thomson family are dedicated to excellence on the vine as well as the winery. Practising a minimalist approach attention to detail is the key.
